DETAILED ACTION

Applicant's Arguments/Amendments filed on July 24, 2009 have been entered. Claims 1, 3-9, 11-17, 19-25 and 27-31 are allowed.

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The prior art fails to teach, suggest, or render obvious either alone or in combination all of the claimed limitations.

Specifically, the prior art fails to teach or suggest traversing a plurality of addresses in the second set of addresses to find another element of the network and excluding the plurality of traversed addresses from the dividing step such that a plurality of addresses are excluded from the subsets of addresses provided to the another element.

The combination of Weaver, Vogt, and Perlman could not render the claims obvious without the use of impermissible hindsight constructions.

Therefore, Claims 1, 3-9, 11-17, 19-25 and 27-31 have been deemed allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
